The San Diego Regional Center will review purchase of service data (how much was spent on services) to develop recommendations to help reduce disparities, as required by the Lanterman Developmental Disabilities Act. Discussion areas will include identifying cultural barriers and challenges in obtaining regional center services, as well as recommendations to promote equity and reduce disparities in purchase of services.

An opportunity to connect, contribute and share with your SDRC community!

The San Diego Regional Center will review purchase of service data (how much was spent on services) to develop recommendations to help reduce disparities, as required by the Lanterman Developmental Disabilities Act. Discussion areas will include identifying cultural barriers and challenges in obtaining regional center services, as well as recommendations to promote equity and reduce disparities in purchase of services.

*Meetings will be held in English and Spanish
