Quick Facts

✓ You will be prompted to change your password every ninety days.

✓ After twenty-five minutes of inactivity, you will be logged out of the system. Make sure to save all updates as you are making changes to avoid being logged out of the system and losing your work.
The eBilling system is arranged in a series of tabs and sub tabs. To move from section to section click on the appropriate tab.

Functions and tabs are available depending on your user role assignment. If you feel you are not able to access the appropriate areas, please contact your Regional Center and have them update your user role assignment.

There is a help link in the upper right hand corner of each screen.
Vendor Administrator: Access to the Home, Invoices, Payments, Reports, and Service Provider Management tabs. The Vendor Administrator role only has access to assigned service provider numbers; can create other vendor user and reader profiles; is able to edit, update, and submit invoices.

Vendor Supervisor: Access to the Home, Invoices, Payments, and Reports tabs. The Vendor Supervisor role only has access to assigned service provider numbers; can not create other user profiles; and is able to edit, update, and submit invoices.

Vendor Staff: Access to the Home, Invoices, Payments, and Reports tabs. The Vendor Staff role only has access to assigned service provider numbers; can not create other user profiles; and is able to edit and update invoices. The Vendor Staff user profile is not able to submit invoices.

Vendor Staff – No Payment Access: Access to the Home, Invoices, and Reports tabs. The Vendor Staff – No Payment Access role only has access to assigned service provider numbers for invoices and invoice history and not payment history information; can not create other user profiles; and is able to edit and update invoices. The Vendor Staff – No Payment Access user profile is not able to submit invoices.

Reader: Access to the Home, Invoices, Payments, and Reports tabs. The Reader is only able to view information for assigned service provider numbers. The Reader is unable to update, delete, or submit invoices. The Reader is unable to create other user profiles.

If you feel that you have been assigned the incorrect role, please contact your Vendor Administrator or Regional Center.

This is the area where you are able to change your password. Please remember to reset your password the first time you log into the eBilling system.
How to Select a Service Provider Number (SPN)

1. Type your SPN number in the Service Provider Selection search box.
2. Click SELECT.
3. A pop up box will appear. Click OK to approve your selection.

OR

1. Select the appropriate SPN number (by clicking on it once) from the SPN list located under the SPN search box.
2. A pop up box will appear. Click OK to approve your selection.

After selecting an SPN the selected service provider information will appear at the top of the screen.

You will be unable to view any information available under the invoices, payments, and reports tabs unless you first select an SPN number.
**Bulletins** are posted by the Regional Centers and will appear on the top left of the home screen.

**Quick links** are available on the home screen and provide one click access to other frequently used areas of the application.

**E-Mail** icon appears on the upper right corner of the screen and will allow you to send an e-mail to the designated Regional Center contact.

**Attach Documents** icon appears on the upper right corner of the screen and allows you to upload documents that the Regional Center will then be able to access.

**Comments** icon appears on the upper right corner of the screen and allows you to enter comments for the Regional Center to read.
Comments:

• The invoice level comments will be available on the website. Invoice detail line level comments will be transferred to UFS for Regional Center staff to view.

• Invoice detail line level comments are meant to convey important information to POS staff at the Regional Center (ex. This invoice line was deferred because…).

• Will be seen only by POS Regional Center staff.

• Should be kept brief (two sentences or less).

• Are **not** for communication with Service Coordinators.

• Are **not** an immediate or direct form of communication with the Regional Center. If you have a question or concern that requires an answer from the Regional Center, you need to either call or e-mail your Regional Center contact.
Documents:

✓ Attached documents will only be flagged on Regional Center reports if they are attached to specific invoice detail lines.

✓ Documents attached at the invoice level will not appear on Regional Center reports.

✓ If you would like Regional Centers to know that you have attached a document to your invoice, it **must be** attached to an invoice detail line.
Only users assigned to the Vendor Administrator role will have access to the Service Provider Management tab.

This is the area where Vendor Administrators will be able to:

- Search for Users
- Maintain User Profiles
- Create New User Profiles
- Assign Roles to Users

Monthly Check Box Calendar

In the following cases the payment will need to be prorated:
✓ The authorization starts or stops mid-month
✓ The last exit date is prior to the last day of the month
✓ The consumer is absent from the facility greater than fourteen days during the month.

NOTE: For residential services, if a consumer exits the facility during the month, please enter the last night of service as the exit date.

A prorated payment will show as zero and the Regional Center will calculate the payment based on attendance.

How to save time by using buttons!
No Service, Defer, Calendar Template, Add Invoice Lines

The **DEFER** button will allow you to mark a consumer record as defer. This will indicate that the consumer did receive a service, but the authorization needs to be updated. The Regional Center will then resend the invoice the following the month. If **DEFER** is applied to the whole invoice, then the whole invoice will be reissued.

The **NO SERVICE** button allows you to mark a consumer records as having had no service/billable time for the month.

The **ADD INVOICE LINE** button will allow you to add an attendance only (A/O) detail line under a contract. This button will only work for certain service codes if the Regional Center has enabled this option.

The **CALENDAR TEMPLATE** button will allow you to apply a calendar template with attendance information to one or more consumer records.

How To Submit an Invoice

1. View the invoice you would like to submit in EDIT/UPDATE mode.
2. Check each invoice line to make sure that it has been updated with the correct information.
3. Scroll down to the bottom of the screen
4. Click the SUBMIT button.
5. A pop up window will appear. Click OK.
6. Your invoice has been submitted.

Reminder: If the service month of the invoice is the current month, it can not be submitted until a certain date. The date is usually near the 27th or the 28th. This date is determined by each Regional Center. An invoice can not be submitted prior to that date for the month of service. For example, if the service month is November and the Regional Center set the submit date to the 27th, the first date the invoice can be submitted is 11/27. A previous month of service would not be affected.
Once your invoice has been submitted you will be able to search for it under the Invoice History sub tab.

You must choose an SPN number on the Home tab to view the Invoice History sub tab.

You are able to print invoice details from the Invoice History sub tab.
You are able to search EFT Payment History in the same way that you search for available invoices under the Invoices tab. Just choose the Payments tab, enter search criteria, and click the SEARCH button.

To view a selected EFT Payment History for an invoice, click anywhere on the invoice line.

To create a .CSV file of the Payment History, select the invoice, and click the CREATE CSV button. You can either view the file or save it to your computer.
There are many report options under the Reports tab.

- You are able to view, save, and print reports.
- You must select your SPN to generate and view reports.
How to Generate a Report

1. Click the Reports tab. (Make sure you have selected the appropriate SPN).

2. Choose a report from the drop down menu on the left.

3. Enter the appropriate search criteria on the right hand side of the screen. (The search criteria will changed depending upon the report you’ve selected).

4. Click SUBMIT.

#1 Choose Report.  #2 Enter Search Criteria.  #3 Click Submit.
Reports

Reports

Viewing and Printing Options

There are several options for viewing your report.

1. You can either print the report or save it to your computer.

2. You can open the report in a new window by clicking the Open in a New Window link that is located on the left side of the screen.

3. You can also use the scrollbar to view the report in the browser window.
If you currently are e-mailed a Microsoft Excel turnaround invoice (TAI) or DS1964 (for service code 950 services), you may now choose to access that invoice on the eBilling website.

You will need to talk to your Regional Center about setting up your profile and posting your invoice to the eBilling website.

If you do choose to download your TAI or DS1964 from the eBilling website, you will see invoices available for download on the right hand side of the Home tab.

You will see files available for download on the right side of the Home Dashboard. There will be a blue DOWNLOAD button on the right side of each available invoice.
How to Download Files (from the eBilling Website to Your Computer)

1. Select or enter the appropriate service provider number on the home screen.
2. There must be available invoices on the left side of the Home Dashboard screen.
3. Click on DOWNLOAD button on the invoice line you wish to download.
4. Click the SAVE button.
5. Choose the folder you would like to save the file in on your computer. Click SAVE. **TIP: Please do not change the file name. The eBilling system will not recognize the file if the name is changed.**
6. The downloaded invoice will be saved as an .XLS file on your computer.
7. Click OPEN to view the file immediately. Click CLOSE to view the file at a later time.
If you choose to upload your TAI spreadsheet or DS1964 to the eBilling website (instead of e-mailing it to your Regional Center) then you will need to first convert it to a .XML document.

1. Fill out the invoice as your normally would.
2. Click the EXPORT XML button.
3. Save your changes.
4. The XML file will be in the same folder as your original file. It will contain the same name, but be a .XML document.

The top file is the original Excel TAI. The bottom file is the .XML file that is ready to be posted to the eBilling website.
The new TAI and DS1964 spreadsheets are different than the old TAI and DS1964 spreadsheets.

Please make sure you use the new spreadsheets.

The old TAI and DS1964 spreadsheets are not compatible with the new eBilling system.

If you provide 950 services to consumers served by multiple Regional Centers, you will need to copy the information in the old DS1964 to the new DS1964 until all Regional Centers have switched to the new eBilling system.
How to Upload Files (From Your Computer to the eBilling Website)

1. Select the appropriate SPN.
2. Click the Invoice tab.
3. Click the Invoice XML Upload sub tab.
4. Click the SELECT button.
5. Choose the file from your computer that you would like to upload. Click OPEN.
6. Click the UPLOAD button.
7. The file should be uploaded. If the incorrect file is uploaded, just use the DELETE button and start over.
