# JOIN us for SDRC's Annual POS Meeting!

## What is POS?

**POS, Purchase of Services**, refers to the funds SDRC uses to buy services for a person with a developmental disability.

### At this session, you'll discover:

- How much funding was used on services
- How much of the approved services were actually used

Your opinions and experiences help us understand what is working and where improvements are needed.

*The information presented is from the previous fiscal year (2024-2025).*

**WE HOPE YOU CAN JOIN US, ask questions, and share your thoughts as we work together to improve services for our community!**

**Interpretation will be available via zoom only**
