1. Welcome/Introductions

2. Public Input
   - Service providers aren’t educated enough about Self-Determination and need access to more resources to prepare to support Self-Determination participants.
   - Information about Self-Determination needs to be accessible/understandable and be delivered directly to potential participants, not just family and/or other planning team members.
   - More communication from SDRC to individuals and families about Self-Determination is needed.
   - It’s hard to find providers and other supports through SDP, would be helpful to have these advertised or listed somewhere.
   - Would like to see video testimonials available on SDRC website.

3. Approve outstanding minutes

   March minutes approved. First motion by Horacio, second by Tracey.

4. San Diego Regional Center Report
   - Total enrollment is 47.
   - Info Sessions continue to be held once per month in the evenings.

   - Suzy Requarth provided an update to the SDRC Board of Directors.
